Executive Board Lunch Meeting

Monday, January 14, 2013
3:45PM - 5:30PM
Hilton, Cardozo

.....

Presiding: Harry Timmermans, Technische Universiteit Eindhoven

Minutes

1. Status of the publications from the 2012 Conference in Toronto:

There are approximately 48 papers selected for possible publication in journals, and 20-25 papers selected for the book. The book contains the resource papers, papers selected from the conference and few other papers invited externally.

The possibility to have an electronic version of the book was discussed, but agreed that only after 5-6 years from the time the book is in the market, when sales decrease.

2. Financial status:

In total there are \$15,136.95

Approximately \$15,000 will be returned to the association by the organizers of the congress in Toronto.

Approximately \$10,000 are expected in the future, from the sales of the book

3. Membership status:

Current members until 2015	249
Of these:	
New members in 2012-2015	161
Members also in 2009-2012	87
Members also up to 2011	1

Memberships not renewed in 2015	142
Of these:	
Members until 2012	135
Members until 2011	7

To those who have not renewed the membership in the period 2012-2015:

- an invoice requesting payment of dues will be sent by 30 March 2013.
- one more message will be sent by 30 April 2013 with a one-week deadline for paying dues.
- On 7 May 2013, the membership expires and the individual is taken off the membership roster.

There seems to be approximately 150 members rotating every three years (142 left, 162 are new). It is important to note that approximately (it is not possible to have complete information) 30 people seem to have changed Institution and/or Nation since 2012. This explains some of the new members in some nations.

4. 2015 IATBR conference update

Contact with sponsors already started, and will continue to have more options started. A venue for the next conference will be probably West London. Windsor is also an option but it is not the preferred one.

It is planned to have the web page ready online by next January.
