

2021 IATBR Lifetime Achievement Award Ceremony & Seminar on 'Travel behaviour modelling at the interface between econometrics and mathematical psychology'

Wednesday, June 2, 2021
15:00-16:30 GMT

Schedule:

15:00-15:30 GMT: 2021 Lifetime Achievement Award Ceremony

15:30-16:30 GMT: Presentation by **Dr Thomas Hancock**, University of Leeds
Winner of the 2019 Eric Pas Best Dissertation Award followed by discussion by **Professor Tommy Gärling**, University of Gothenburg, Winner of the 2018 Lifetime Achievement Award.

Dr Hancock will be presenting the key findings of his research on bridging the gap between mathematical psychology and choice modelling fields and demonstrate the implications of the research in the field of travel behaviour modelling. The discussion will cover future directions of research in this important area.
